SIR:

**ATTN: OFFICIAL DRAFTSPERSON**

**TRANSMITTAL OF FORMAL DRAWINGS**

In response to the Notice of Allowability mailed 01/06/2004, applicant re-submits herewith for approval a new set of four (4) sheets of formal drawings to be substituted for the previously filed four (4) drawing sheets of record.

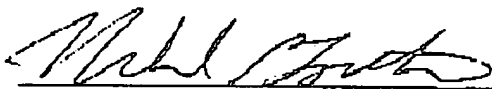

The Notice of Allowability indicates that the drawings filed with the application

on November 15, 2001 have been accepted by the examiner, and a Notice of Draftspersons Review has never been received in this application. However, the drawings filed on November 15, 2001 included hand-written markings. Replacement formal drawings were filed on February 21, 2002, and a date-stamped confirmation postcard has been received (copy enclosed), confirming receipt by the PTO on March 4, 2002.

To ensure that the formal drawings previously filed on February 21, 2002 are published with the printed Letters Patent, Applicant resubmits the enclosed formal drawings herewith. The only changes made to the drawings as originally filed on November 15, 2001 are those sufficient to make these drawings comply with the ordinary requirements of 37 CFR 1.84(a) - (u).

Reconsideration and entry of these formal drawings is respectfully requested.

Respectfully submitted:
